Bill, I am copying you on a message I sent to Yolanda Jones who I am entrusting with the story on police retention. She has been working on some stories on this issue that are in the pipeline. So I hope you don't mind if she gets the info and gives you a call Thursday.

So the info embargoed until 5pm Thursday will be on police retention efforts and could include the donors who put up money through the Crime Commission to make that happen. The crime commission board votes on that Thursday. I will forward the email from Gibbons to you as soon as I get it. Gibbons will be at available as of 2:30 pm at the cell below.
